

Band Event Volunteer Form

Parents,

The band department hosts several events throughout the school year. In order to run each event smoothly, we will need your help. The following is a list of events that the middle school will host 2016-2017 school year. If possible, please place a check-mark at which events you are willing to work. Our middle school band booster parent, Christina Garringer, will contact you with more information as the event draws closer.

Thank you for volunteering!
