

# Private Lesson Information

In the Pendleton Heights Band Program, your child will receive the best music instruction possible from the band directors. However, we also highly recommend private lessons to enhance your child's musical growth and understanding on his/her instrument, and allow for more individualized instruction.

We have professional musicians on all band instruments who come to PHMS and teach during and after school. The lessons are thirty minutes long and range from \$15.00 - \$25.00 per lesson, depending on the instructor. During the lesson, the instructor works individually with the student. The lessons focus on helping the student to improve in areas that he/she needs the most work.

Private lessons are filled on a first come, first served basis. They will begin as soon as the instructor is available and will continue throughout the school year. The lesson schedule will also follow the school calendar in regards to holidays.

If you wish to take advantage of the Private Lesson Program, please complete the bottom portion of this letter and return it to a Band Director as soon as possible. The private lesson teacher will then contact you to answer any questions and set up a time to meet.

Private lessons helped the Pendleton Heights Band Program become one of the leading programs in the area. Specialized instruction provides individualized attention, meets the pedagogical needs of your child, and will be a great asset in preparing for a competitive high school program. We hope that you will consider enrolling your child. If you have any questions, please call me at 765-778-2139, ext. 5106.

Musically yours,

Catherine Maloney  
Band Director
