Each person can check one bag up to 50lbs (leave space for things you buy)

You can take one personal item (backpack, etc) Smaller instruments- Fl, Cl, Alto Sax, Trpt- will carry onto the plane. You can not take a full 2nd suitcase as there is not enough space on European coaches.

Always follow TSA/school restrictions (weapons, illegal drugs, etc.)

Percussion equipment and large instruments are being shipped. You must take your own sticks.

How to Travel

Be patient and always listen for instructions.

Be flexible. Plane seat assignments.

You will be walking!

The only changes will come from a director or Mrs. Dunn/Mr. Forsythe. Please do not listen to/spread rumors. We will send updates through the app.

To change times quickly, it is suggested to try to sleep as much on the plane as possible. On our first day, you'll want to stay up later to have an easier time on day 2.

Eating with a group.

Each airport is different and they are different at certain times. Students will go through with an adult. Meet at gate at designated time.

You will most likely need to remove everything from your person (empty all pockets, phones, wallets, keys, money, etc.) Belts sometimes come off. Shoes sometimes come off.

For carry on:

Laptops, tablets, and large electronics need to come out...again, sometimes.

Toiletries should be in a quart size ziploc bag. Please check size limitations for liquids especially (don't try to take a large bottle of sunscreen in a carry on, etc.)
