Marching Shoes (Band and Guard)

Plain Black t-shirt (winds and percussion)

Attendance

More than 4 unexcused absences result in the loss of a PE credit

2 unexcused tardies equal an unexcused absence

Absences must be cleared with a director at least **1 week** in advance.

Being There

Marching Band depends on every student being there. If a student is missing, a “hole” is created and makes it harder for everybody else.

Students who commit for the season must see that commitment through. Removing students from marching band should not be used as a punishment.
